A handwritten signature in black ink, appearing to read "Emmett Shead Jr.", is written over the typed name.

EMMETT SHEAD JR.  
MAJ, AV  
Army ROTC Executive Officer

As the Military Science III Instructor of the Georgia Institute of Technology Army ROTC program, I have had the pleasure of getting to know Cadet Brett E. Kubica for the last 10 months. Cadet Kubica has been a tremendous student and an asset to our ROTC program, so it is with great pleasure that I recommend this fine Cadet for The LT Tyler Brown Leadership Award.

I am very confident that Cadet Kubica will continue to do extremely well in his studies and ROTC participation. Cadet Kubica is a dedicated student and thus far his grades have been exemplary and are reflected in the 3.42 GPA in Aerospace Engineering and a 4.0 in Military Science. His contributions to the ROTC program are immeasurable by any standard. Cadet Kubica has the ability to always complete any task presented and has exceeded the standard each and every time.

Cadet Kubica always sets the right example regardless of who is watching and is evident in how he is perceived by his peers and superiors alike. I am extremely confident he will lead an extremely successful career once he is commissioned in the Army.

It is for these reasons that I strongly recommend that Cadet Kubica for this highly coveted award. I am certain that he is the right person for this honor and have my highest regard in this endeavor.

If you have any questions regarding this recommendation, please do not hesitate to contact me.
