SUBJECT: Recommendation for the Lt Tyler Brown Leadership Award

1. I highly recommend Cadet Brandi Strickland for the Lt Tyler Brown Leadership Award. Her exemplary academic performance and superior leadership make her an outstanding candidate. Cadet Strickland is truly among the best in her class of senior cadets, and led by example excelling in the position of wing commander for the Fall 2012 semester. Her top-level performance as an underclassman earned her selection to attend AFROTC Field Training, an achievement enjoyed by only 59% of all eligible sophomore cadets across the United States in 2011. She is a model cadet and serves as a positive influence to all those around her.

2. I trust that you will find Cadet Brandi Strickland's qualifications as impressive as I do. This is a fine young woman that has unlimited potential and a very bright future as an Air Force Officer. Cadet Brandi Strickland is indeed the right choice to receive this year's Lt Tyler Brown Leadership Award.
