EXPERIENCE

Georgia Army National Guard: Dahlonega/Toccoa/Thomson, Georgia.

Carpentry and Masonry Specialist Toccoa, Georgia January 2013-April 2016

- Understand the hands on application of plans to a job sight, to include the ability to read and interoperate sight plans.
- Construct buildings and building accessories by means of wood framing, block work, and concrete.

SMP Thomson, Georgia April 2016-Present

- Accounted for, maintained, and managed multi-million dollars' worth of equipment.
- Manage a 40 person sized element to conduct various military operations
- Instruct and operate a heavy weapons range as well as serving as a safety officer.
- Managed a POD that distributed water, food, ice, and equipment for the towns of Cuthbert and Newton, and the city of Albany.

Cadet at UNG Corps of Cadets and GT ROTC August 2014-Present

- Develop myself as a leader and future officer while upholding Army values and discipline.
- Served as a cadet chaplain where I mentor and tend to a company size element (83 people).
- Learn the importance of communication and interpersonal skills among not only peers, but those of other backgrounds.

Georgia Civil: Madison, Georgia.

Intern May 2015-July 2015

- Worked with field survey crews to learn the basics of boundary and topographic surveying, along with basics in construction staking.
- Worked side-by-side with civil engineers and landscape architects to gain understanding of the engineering process. With this, I helped to conduct code research, inspiration research, and future site research.
